Other sizes available upon request

Electrical Insulating Gloves

Glove Protectors, Inners/Liners and Bags

Description:

Glove protectors for Class 00 electrical insulating gloves, goat skin type, 240mm in length.

GOAT SKIN TYPE		FOR CLASS 00 Insulating Glove
CODE	SIZE	SIZE
GL-PRO-M	Medium	9
GL-PRO-L	Large	10
GL-PRO-XL	Extra Large	11

These are not insulated gloves.

Description:

Glove protectors for electrical insulating gloves, leather type, 300mm in length.

LEATHER TYPE	
CODE	SIZE
GL-PROHV(SIZE)	8, 9, 9.5, 10, 10.5, 11

NOTE: Order one size larger than the insulating glove for proper fitting.

These are not insulated gloves.

Description:

Glove liners/innners (cotton)

CODE	NOTES
1 GL-EOLK-L	Cotton knit fabric elasticated cuff, 340mm length
2 GL-EOLS	Cotton fabric, 280mm length

NOTE: These are not insulated gloves.

1 GL-EOLK-L 2 GL-EOLS

Electrical Insulating Gloves

Glove Protectors, Inners/Liners and Bags

Description:

Glove bags

CODE	NOTES
BAGGLOVE	PVC Glove Bag
BAGGLOVECAN	Treated canvas pocket glove bag
GL-EOBD	Untreated canvas 2 pocket glove bag with clip
GL-EOBT	Untreated canvas 3 pocket glove bag with clip

** Also available: Glove Dust - CODE: GL-DUST*

Safety Footwear

Electrical Safety Boots

**Description:**

Electrical Safety boots with steel toecap comply with European Harmonised Standards EN345-1: 1992, EN347-1: 1992 & EN 50321: 2000. Soles & legs are resistant to oil, petrol, grease, alkaline solution and acid (VDE Regulation 0680/1). Colour: White legs, black soles. 1000V insulation.
